5 aside competition management policy

The decision to cancel matches will be made on individual circumstances and times due to weather conditions.

The cancellation/delay or postponement of matches due to lightning/hot weather/hail or excessive rain the competition coordinator must seek approval of the WLSRC Manager or in their absence a Director of WLSRC to whom the Manager has delegated authority to before any decision is made for the matches.

Lightning strikes and hot weather cancellations are based on the Football NSW Lightning and Hot Weather Policies.

Hail/excessive rain and smoke cancellations will be based on individual circumstances as determined by WLSRC.

In the event games are cancelled we will endeavour to reschedule where possible the matches however this is not always possible due to times/schedule and constraints, WLSRC will discuss a credit for these games with team managers.

The clubhouse is available for the comfort and protection of players and spectators in the event of inclement weather if games are delayed, cancelled or postponed.

Medication: WLSRC staff members cannot administer medication to players, we supply ice packs and have first aid kits available for use.

WLSRC have DFIBS available in clubhouse (closest to courts is next to female toilet entry door).

Injuries: WLSRC staff members are only allowed to keep the player safe and comfortable until ambulance officers arrive.

PAYMENT OF TEAMS: PAYMENT IS TO BE RECEIVED PRIOR TO ANY TEAMS PLAYING GAMES IN THE COMPETITION, NO PLAYER IS INSURED UNTIL FULL PAYMENT HAS BEEN RECEIPTED.
